

God's Hidden Hand: Joseph and the Way of Grace

Summer Bible Study Homework for June 23 - Genesis 40

Read Chapter 40.

Spend time in silence with this passage. Ask God what he would like to reveal to you through this Scripture.

Who are Joseph's fellow prisoners and what do we know about them from verses 1-4?

We learn in Genesis 40:8 that both the cupbearer and the baker had been disturbed by dreams in the night. What is Joseph's response to them? How does Joseph give credit to God rather than himself?

Joseph interprets the dreams of both the cupbearer and the baker. What stands out to you about these dreams and interpretations?

Read Genesis 40:14 and Genesis 40:23. What tension is introduced in these verses in Genesis 40?

Spend some time reflecting on this last year of difficulty and change. Where was God? How was he present in your life? Meditate on his faithfulness to you in your journey this past year. How might he be calling you to respond in this season?
