PRAYER LETTER

PRAISE AND PRAYERS

- Give thanks for the dedication of the campus ministry group in Rwanda that is doing the Explore the Books of Moses module. Please pray that module's content will transform their lives and ministries. Pray also for the second group that has experienced some stagnation and has struggled to continue meeting, that they may be able to resume their studies on the Explore the Prophets module
- Thank the Lord for the provision of a visa for Nevil to travel to South Sudan on his way to the Nuba Mountains. Please pray for candidates who are disciple-minded and that the gospel will bear fruit. Pray for the candidates being interviewed in Juba that we find the right person to coordinate the hub in South Sudan, Nuba Mountains and Northern Uganda.
- Pray for travelling mercies for Misheck as he facilitates training for 35 delegates from around Kenya.
- Please pray that in both Kenya and Nuba Mountains hearts will be set on fire for the Lord.
- Give thanks for the Cross Central Church group that is running 3 modules and for the change the facilitators are seeing in the lives of their students. Please pray for the students' faithfulness to the group and for energy to continue participating even as the year comes to an end. Pray also for God to raise up more facilitators for 2023 and that more church leaders

will be interested in joining the group. Lastly, please pray for the students writing exams on the 13th of November especially for those whose first language is not English.
