

Happy Easter from the Deaf Unit!

The Lord is risen indeed, Hallelujah!
Thank you so much for your continued partnership with us.

Deaf Unit News

New Leadership

A celebration was held to honor Dr. Mary Isaac and her wonderful investment in the Deaf Unit as our director these past 4 years. Even though she is moving on to attend to her family, Dr. Mary is always in our hearts. We thank her for the trust, support, love she gave to all her deaf children.

Mrs. Shery Nabil is our new acting director. Working in the Deaf Unit since 2007, she has taught several different grades in the school, most recently teaching speech in 2021. Under Dr. Mary, Mrs. Shery was the deputy director responsible for workshops. We are so thankful for Mrs. Shery's leadership and her rich background with this community.

News, continued

Renovation Complete

The Embassy of Japan has generously supported the renovation of our Boarding School building. Construction is complete, and furnishings are currently being arranged. We look forward to sharing about the official re-opening in the next newsletter.

The students and teachers have done excellent work continuing their studies in the temporary classrooms pictured below, but everyone is looking forward to moving back to the school.

Mrs. Shery Nabil in action

We are in need of some basic equipment for the building (for example, a water cooler, fire extinguisher refills, a logo for the front entrance), as well as some materials to furnish the Conversation Room, one of our specialized classrooms. If you would like to partner with us in purchasing specific, one-time items for the new boarding school, please contact deafunit@gmail.com.

Spring Events and Activities

Football Club concluded with an award ceremony

Mrs. Diana Dzene celebrated her birthday by blessing the Deaf Unit with a very generous donation. Thank you so much for the new projector and our Valentine's Day party, Mrs. Diana! Happy Birthday again!

A visit from Mr. Ahmed Abdel Fattah of The Misr El Kheir Foundation

Our table at a spring bazaar

Volunteering at Misr El Kheir by boxing Ramadan packs for those in need.

Good work, team!

We delivered an ESL Training course sponsored by Dr. Ahmed Meswal in the Ministry of Social Solidarity. This was an opportunity for Social Work students and employees to learn some basic signs, so that when Deaf people seek out public services, they are welcomed and served effectively.

The students had fun together on an outing to Magic Planet Maadi

We hosted a basic ESL conversation training for employees from the Department of Social Affairs.

The Maadi Women's Group came by for an encouraging visit

Thank you!

Please pray that the light of Christ would continue to penetrate hearts in Egypt's Deaf and Hearing Impaired community, starting right here in the Deaf Unit. God bless you!
