## SERMON SERIES: JESUS IN HIS OWN WORDS

Critics and scholars have written countless words about Jesus, making claims for who he is and what he accomplished. But what does Jesus have to say about himself? On seven different occasions in John's Gospel Jesus makes a stunning claim about himself, each one prefaced with the simple statement: "I am." This spring we will explore these statements and the rich truths they reveal about him. Join us as we hear from Jesus in his own words.

## 2026-2027 WOW REGISTRATION IS NOW OPEN!

Join WOW this fall for engaging Bible studies using The Good Book guides to explore the Book of Ruth and the Lord's Prayer.

Starting in September, the group will walk through Ruth's timeless story, discovering themes of trust, loyalty, and compassion that point to God's greater story of redemption. In the spring, they will take a deeper look at the Lord's Prayer, moving beyond routine recitation to a more meaningful, heartfelt prayer life, and exploring what it reveals about God's character, His Kingdom, and our daily walk with Him. Come connect with other women, grow in your understanding of Scripture, and be encouraged by God's faithfulness.
