SERMON SERIES: *JESUS IN HIS OWN WORDS*

Critics and scholars have written countless words about Jesus, making claims for who he is and what he accomplished. But what does Jesus have to say about himself? On seven different occasions in John's Gospel Jesus makes a stunning claim about himself, each one prefaced with the simple statement: "I am." This spring we're exploring these statements and the rich truths they reveal about him. Join us as we hear from Jesus in his own words.

Come grow in your understanding of Scripture and be encouraged by God's faithfulness.
