SUNDAY SERMON SERIES: *BUILT UP & SENT OUT*

The Book of Acts tells the story of the first Christians—*built up in Jesus Christ and sent out by the Holy Spirit*. What begins with the eyewitness accounts of a few Jewish fishermen launches a movement that changed the world. Thousands of years later the book still compels us to ask: What gave them courage, purpose, and unity? What about their message changed the course of history? And what relevance does this have for us today?

This summer we will explore Acts 10-17, picking up where we left-off at the end of last summer. In these chapters we will see how the gospel opens doors, creates conflict, and leads to reconciliation with God and one another.

EMOTIONALLY HEALTHY DISCIPLESHIP COURSE

Part 1: Mondays, September 14–November 9 from 7-9 pm

Part 2: Mondays, January 11–March 15, 2027, from 7-9pm (No class January 18)

The Emotionally Healthy Discipleship course invites us to examine the “fig leaves” we use to hide behind. In Genesis 3, Adam and Eve covered themselves after sinning against God, pretending to be something they were not. We often do the same—hiding our weaknesses, avoiding honesty, fearing rejection, and trying to appear more put together than we really are.

Many of us spend more time doing for Jesus than simply being with Him. We believe our failures make us unworthy of love, so we strive to earn what God freely gives.

In this two-part course beginning in the fall, we begin removing those coverings and honestly examine the fears and habits beneath them. Together, we learn to rest in the security of Jesus' unfailing love and grow as authentic, emotionally healthy disciples.
