

We pray for the leadership and staff of our church.

- For wisdom
- For resilience
- For zeal for the mission
- For good cooperation and communication.

We pray for protection over our congregation.

- For facility systems to work smoothly
- For safety
- For protection from harm

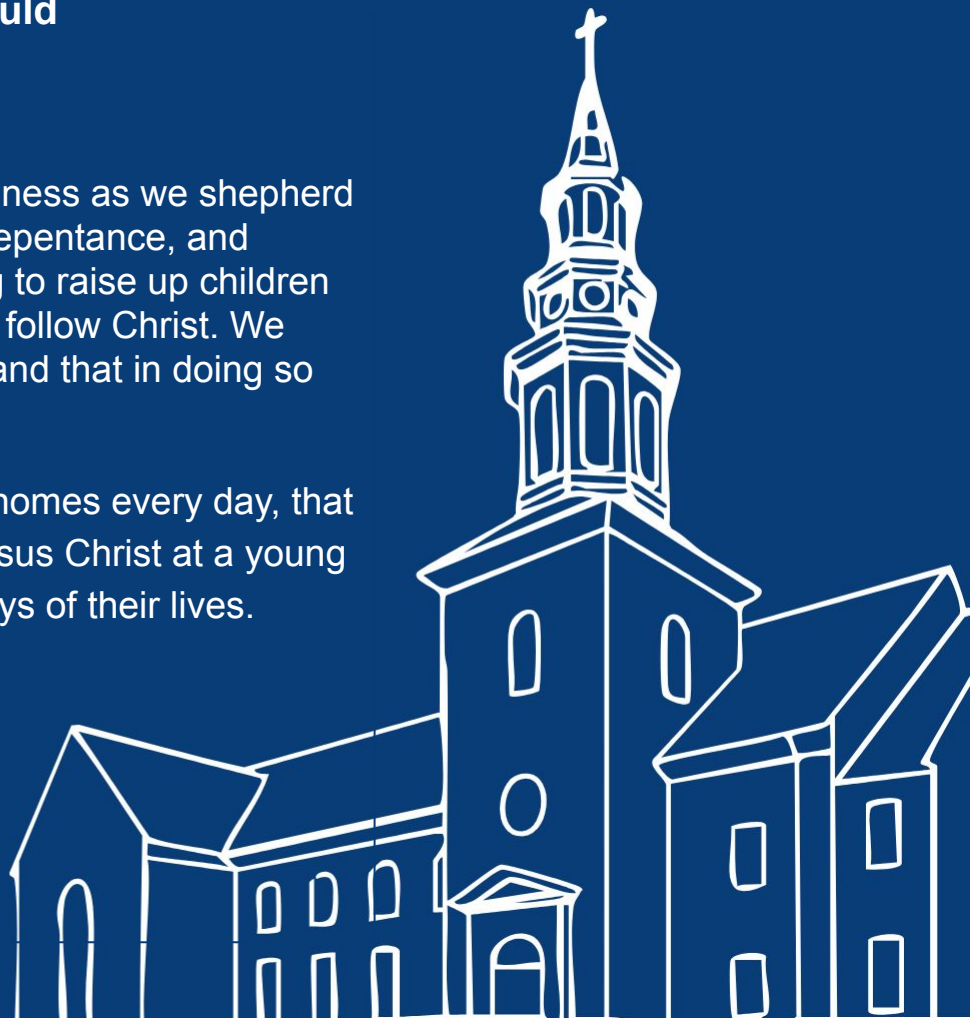

We pray that the love of Christ will be known through the teaching, preaching, and actions of our leadership and staff.

We pray that our leaders, parents, and staff would faithfully disciple our children.

Father, give us wisdom, humility, patience, and faithfulness as we shepherd our children. Help us model a life of prayer, worship, repentance, and obedience. Unite our church and families in the calling to raise up children who know Your Word, love Your Church, and faithfully follow Christ. We pray that everything we do points our children to You and that in doing so we bring glory to Your name.

We pray that our children will hear the gospel in their homes every day, that they would repent of their sins and put their trust in Jesus Christ at a young age and that they would love and serve Him all the days of their lives.

Pastoral Care and Compassionate Ministries

We pray for the Lord to establish and strengthen a healthy, Christ-centered culture of pastoral care at Holy Trinity, raising people who will notice needs, respond with compassion, and faithfully care for those who are grieving, ill, isolated, or in need of practical support.

We pray for wisdom as the ministry grows this year, for the right leaders, systems, and partnerships to emerge so that pastoral needs are responded to faithfully, promptly, and with the tenderness of Christ.

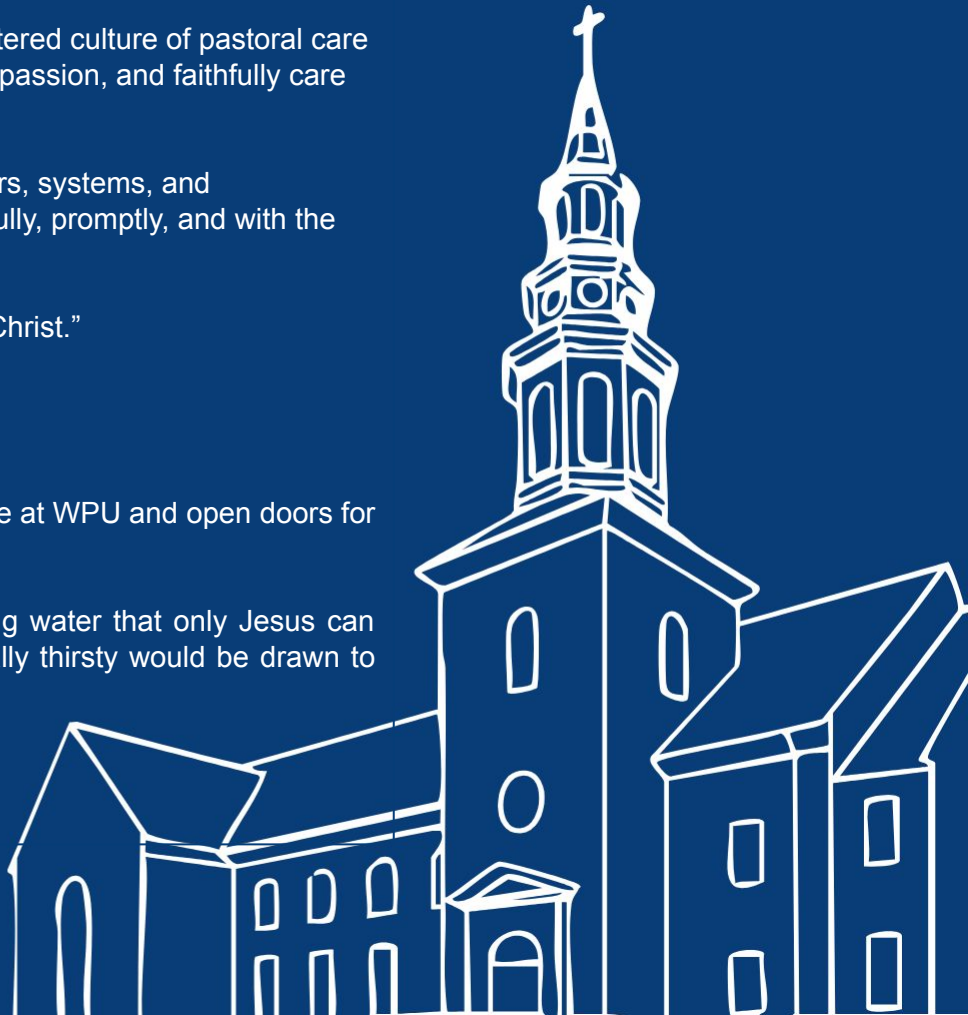

"Carry each other's burdens, and in this way, you will fulfill the law of Christ."
Galatians 6:2.

College Students at William Peace University

We pray that the Lord would establish a meaningful Christian presence at WPU and open doors for relationships with students.

We pray that students and staff would hunger and thirst for the living water that only Jesus can give, and that those who are curious, searching, doubtful, or spiritually thirsty would be drawn to Him.

"Let anyone who is thirsty come to me and drink." John 7:37

We pray that God's Word would take root in the heart of our children.

Holy Spirit, open the minds and hearts of our children to understand Your Scriptures. Help them believe what You have revealed, treasure Your Word, and live according to it. We pray that Your Word dwell richly within them and shape the way they think, speak and live.

We pray that our children will hear the gospel in their homes every day, that they would repent of their sins and put their trust in Jesus Christ a young age and that they would love and serve Him all the days of their lives.

We pray that God would raise up young people who know Him personally and serve Him faithfully.

For faith. We pray that our students would personally know and trust Jesus, and that God's Word would take deep root in their lives.

For parents. We pray that our parents would embrace their roles as the primary disciplers of their children.

For belonging. We pray that students would be known and connected in Christian community.

For courage and mission. We pray that students would boldly share their faith.

For leaders. We pray that leaders would build meaningful relationships with students and point them to Christ.

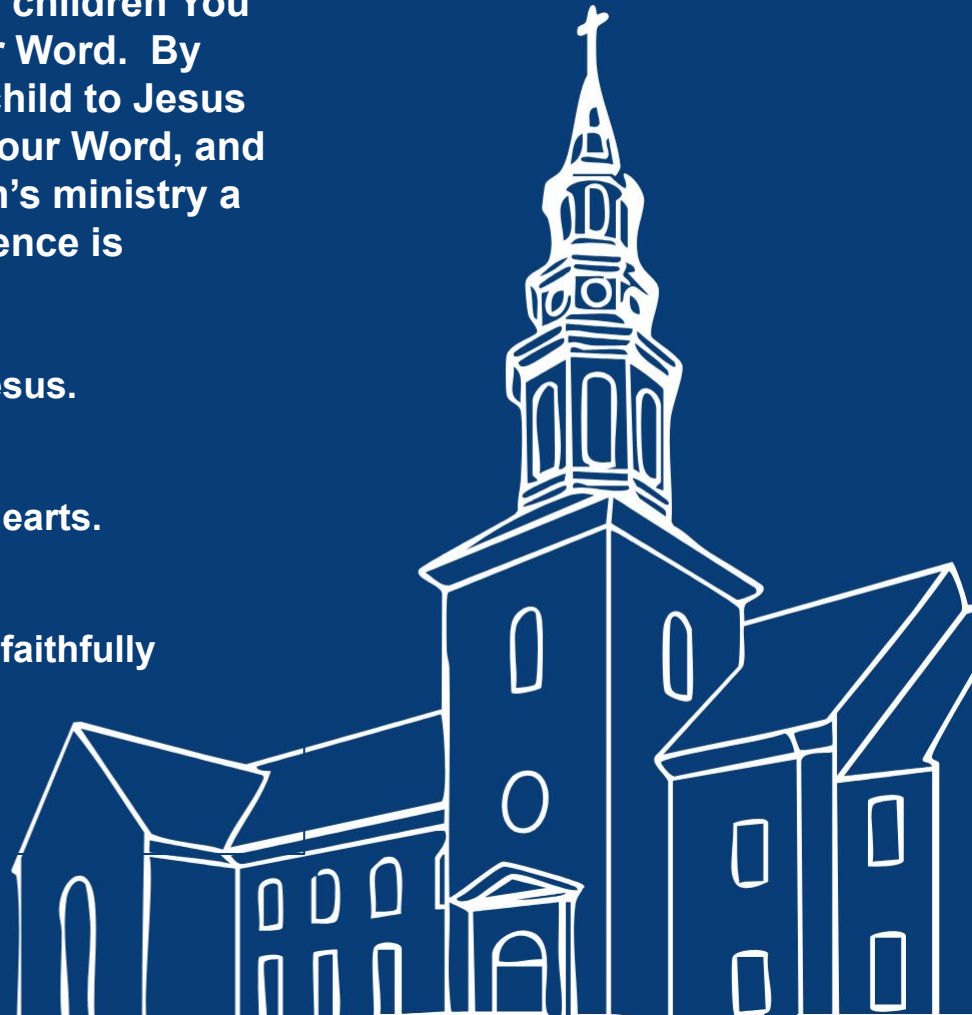

Heavenly Father, we thank you for the previous children You have entrusted to our care. Thank You for Your Word. By Your Holy Spirit, help us faithfully point every child to Jesus Christ, that they may know Your love, trust in Your Word, and grow in faith and obedience. Make our children's ministry a place where Your Word is treasured, Your presence is welcomed, and Your name is glorified.

We pray that our children would know and love Jesus.

We pray that God's Word would take root in their hearts.

We pray that our leaders, parents, and staff would faithfully disciple them.

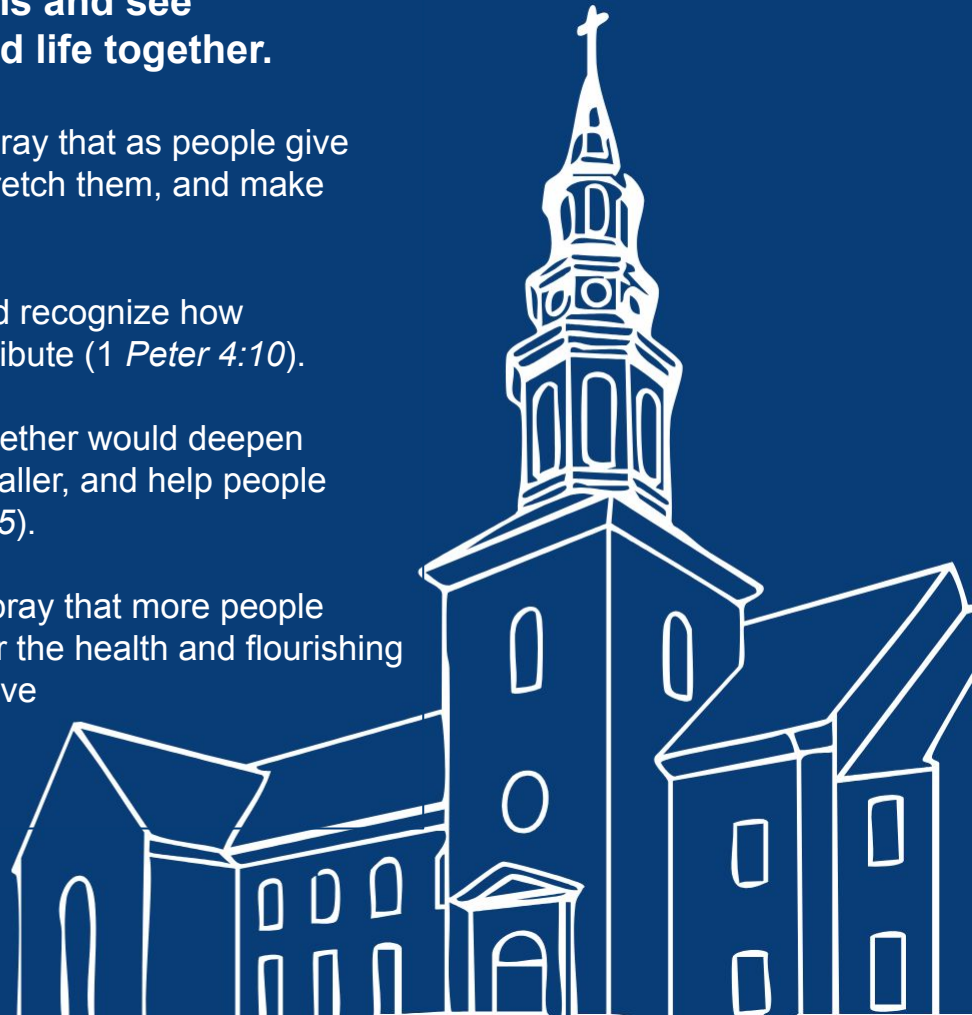

We pray that more people would service on teams and see themselves as responsible builders of our shared life together.

Serving is part of discipleship and transformation. We pray that as people give themselves for the sake of others, God would form them, stretch them, and make them more like Christ (*Mark 10:45*).

Every person has gifts to offer. We pray that people would recognize how God has equipped them and find meaningful places to contribute (*1 Peter 4:10*).

Teams create belonging and joy. We pray that serving together would deepen relationships, form friendships, make a large church feel smaller, and help people experience the joy of being part of one body (*Romans 12:4-5*).

The church is built up when everyone participates. We pray that more people would move from simply attending to taking responsibility for the health and flourishing of the body, each doing their part to build up the church in love (*Ephesians 4:15-16*).

We pray that we would be a church that lives out Jesus' command to "make disciples of all nations (Matthew 29:19)", by sharing our faith, establishing and equipping people for ministry, and exporting our lives into the world.

20's and 30's. We pray that our young adult community would take advantage of this unique season of early adulthood, marriage, and parenthood to continue maturing in Christ (*Colossians 1:28*).

Smaller Communities. We pray that our smaller communities be marked by 1 Thessalonians 2:8. That we would not only share the gospel of God with others, but also our very selves, to those who have become very dear to us.

Wednesday Nights. We pray that Wednesday nights would be a place that God's word is taught faithfully, and that through these evenings many in our church experience life-giving community.

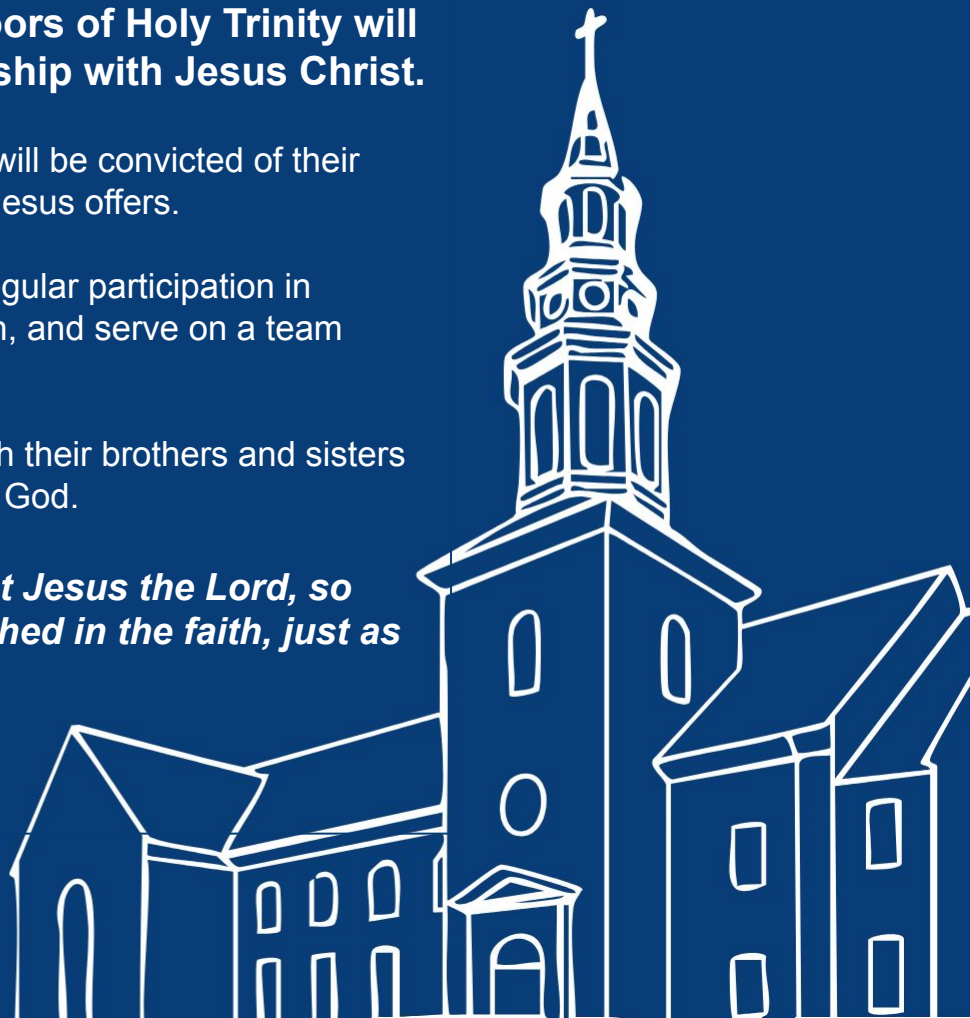

We pray that all those who come through the doors of Holy Trinity will be led into a deeper and more personal relationship with Jesus Christ.

We pray that any among us that don't know Christ as Lord will be convicted of their need for Christ and come to know the gift of salvation that Jesus offers.

We pray that those among us who know Christ are led to regular participation in worship, find smaller communities to share life in Christ with, and serve on a team supporting the mission of God's church.

We pray that all who come will grow into full partnership with their brothers and sisters in Christ to advance the gospel and expand the kingdom of God.

Colossians 2:6-7: Therefore, as you received Christ Jesus the Lord, so walk in him, rooted and built up in him and established in the faith, just as you were taught, abounding in thanksgiving.

We pray that our children would know and love Jesus.

Lord Jesus, draw each child to Yourself. Give them hearts that love You, minds that delight in Your Word, and faith to trust You as their Lord and Savior. We pray that they come to know the joy of belonging to You and grow in the grace and knowledge of Christ.

We pray that our children will hear the gospel in their homes every day, that they would repent of their sins and put their trust in Jesus Christ at a young age and that they would love and serve Him all the days of their lives.
